

For many,
a **little** help
is all it takes.

You never know when it might happen...

An unforeseen medical condition. Costly car repair. Family member in need. Food bills. Rent and homeownership expenses. Rising energy costs.

For many, a little help is all it takes to get back on the road to recovery. For all life's little, and not so little emergencies...

United Way makes a difference, thanks to your support!

- Ensuring a safety net of services is here for you
- Connecting people to services with our 2-1-1 24/7 hotline
