

**There are many faces
of homelessness in
Androscoggin
County.**

1,300 of them

Every year, more than 1,300 people in Androscoggin County find themselves without a permanent place to call home—seeking a warm night in an area shelter or couch hopping with family and friends. And the number of homeless teens is growing at an alarming rate.

Thanks to your support United Way makes a difference!

- Collaborating with all 19 county food pantries
- Collecting over 9,399 meals through first-ever Pantry Project
- Saving our community \$18,002 in prescription drug costs with our FamilyWize prescription drug discount card
- Funding programs that feed children and their families

LIVE UNITED™

PLEASE, GIVE TO UNITED WAY THIS YEAR.

United Way of Androscoggin County
